Belleau Wood Post at the time of the U.S. Million Dollar Circus was held, he informs me that he had no recollection of Mrs. Gibson and her mule at the present time, but will think the matter over and should he be able to receive any information he will gladly submit it to Mr. Pfeiffer.

From the Real Estate Office of Sezilagyi of 235 Potter Ave., Astoria, L.I. I am informed that Hamborzsky worked there and left about three months ago but was unable to get any further information from them.

Continued my search for C.B. Carter who was supposed to be Mrs. Gibson's manager at the time of the Circus, also a Mr. Webster Smith who was an officer in the Belleau Wood Post and Mr. Tom Hasson who let out concessions at that time, but up to the present time I was unable to locate the last three mentioned men.
